Hostess with the Mostest

Donny hated to see her go; she was one seriously fine piece of tail.

“...they create a public nuisance, these video games . . . Decent folks can't even buy a jug of milk or a loaf of bread without having to wade through a sea of foul-mouthed hooligans—”

Donny Bixby switched off the TV, terminating Mayor Tally's idiotic spiel. Tally was a self-important windbag hellbent on outlawing video games in his fair city. He was pushing for the removal of machines from supermarkets and convenience stores and washeterias. If Tally got his way Donny would have to travel all the way to the next town to play his favorite games.

Riding his rickety 10-speed ten miles on a busy highway wasn't only impractical, it was downright dangerous. Donny had never been much of an athlete, but he was damn good at video games, boasting phenomenal hand/eye coordination. Zapping hostile aliens provided him with endless hours of entertainment.

Life without them would be a real drag.

Donny went to his room, dropped to the floor, and did twenty pushups. Then he stood and flexed in front of the mirror. He liked the way he looked after doing pushups, liked the way his chest swelled with blood.

He put on his work T-shirt grudgingly, hating to cover up his muscles. Washing dishes at the Catfish Cove sucked the big one, but it was the only job he could find after dropping out of vocational school. It was low-paying, disgusting, back-breaking work. Still, the job did come with one very nice perk.

Jennifer Tally.

The mayor's eighteen-year-old daughter worked as a

hostess. She would be leaving for college at the end of the summer. Donny hated to see her go; she was one seriously fine piece of tail.

One night at work Donny had asked her out, but she had turned him down. This hadn't surprised him in the least. Chicks like Jennifer Tally didn't go out with guys like Donny Bixby. Not that he was a nerdy geek. He was good at video games, sure, but he was also tall and handsome and well endowed.

He had fucked plenty of chicks.

And none of them had complained.

But these were chicks from his low-income neighborhood, sluts from the wrong side of the tracks. Easy lays, every last one. For once in his life, just once, Donny wanted to bang some

high society broad, a chick with good breeding and all the right social connections. Country club pussy . . .

Donny swiped the tape measure from his nightstand and stuffed it in the back pocket of his jeans. He liked to measure himself at work when he was big and hard from stealing glances at Jennifer Tally. Not too long ago he had ordered a penis pump from Cheri magazine. The thing had really worked; now he was hung like a fucking moose . . .

Jennifer didn't know what she was missing. Donny wanted to show her. Boy, did he ever!

He combed his hair, enjoying having the house all to himself. His parents didn't get home from their factory jobs until after six. Working nights like he did, he rarely saw them.

Donny rode his 10-speed to the restaurant; his thighs pumped, his shirt clinging to his back, he propped his bike against the wall beneath the time clock and punched his card.

His was a typical night at the Catfish Cove—An endless

your cock makes my mouth water!

They had the lover's lane all to themselves. Jennifer braked to a stop, killed the engine, and turned to face Donny. He sat there in the passenger seat and waited for her to make the first move.

procession of servers dropping off dirty dishes. He had to work fast to keep up, faster than he would've liked. Despite the heavy workload, he was able to catch a few glances of Jennifer's tits and legs. She wore a wispy sundress, the lightweight garment hanging loosely over her willowy frame. Her tits were large half melons out of proportion with the rest of her physique. Donny had always been a tit man, and Jennifer's were really something special.

They were on his mind when he took his first break of the night. Sporting a raging hard-on, he went to the staff restroom—a single-occupancy, unisex facility—to measure himself and maybe even rub one out.

In his excitement, Donny forgot to lock the door. He was measuring his stiff cock, all 9 ¾ inches, when Jennifer walked in on him . . .

"Oh, my gosh!" she said loudly.

She stood in the doorway, her mouth gaping, her wide eyes fixed on his dick. Her face was red with embarrassment. Still, she didn't look away. She stayed rooted to the spot, unable and/or unwilling to exit the tiny bathroom and give Donny some privacy.

Not that he wanted privacy. He liked the astonished look on her face, liked it a whole hell of a lot.

Cock in one hand, tape measure in the other, Donny turned to face her. "Can I help you?"

"I am so sorry," she finally said before backing out and closing the door.

This was the first time that Jennifer Tally, Donny reasoned, had ever seen such a big cock up close and in person. He vowed that it wouldn't be the last.

It came as no real surprise when he clocked out and found her waiting for him in the parking lot. She sat behind the wheel of her hot little red convertible. The car was new. A graduation gift, Donny reasoned, from daddy dearest.

"Want a lift?" Jennifer asked him.

"What about my bike?" Donny said.

"What about it?"

"It won't exactly fit in your car."

Jennifer gave it some

thought. "Just leave it here. I'll give you a ride to work tomorrow . . ."

"That's mighty generous of you, Jennifer."

"Yeah, well, I'm a generous girl."

Donny rolled his 10-speed inside the restaurant and left it there. The boss wouldn't mind. And if he did—well, fuck him. Jennifer was all smiles, her car purring, when Donny climbed into the passenger seat.

"I hope you're not too tired," she said to him as they sped out of the parking lot.

"Too tired for what?"

Donny knew, of course. He just wanted to hear her say it, wanted to watch her moist lips mouth the beautiful words. But she remained silent, shifting with authority while focusing on the road. Twin beams bored through the darkness, leading the way to paradise.

They had the lover's lane all to themselves. Jennifer braked to a stop, killed the engine, and turned to face Donny. He sat there in the passenger seat and waited for her to make the first move.

He didn't have to wait long.

Jennifer reached for his fly, her shaky fingers fumbling with his zipper. Donny helped her out, lowering his jeans and boxers to mid-thigh.

His big cock pointed at the moon.

Jennifer's eyes expanded, her mouth forming a lewd grin as she went down on him. Donny leaned back and sighed contentedly as Mayor Tally's eighteen-year-old daughter sucked his dick.

Every dog, he thought, has its day.

And today was definitely his.

Jennifer impressed Donny with her oral skills; she gobbled cock with the expertise of an older, more experienced gal. Not the best blowjob he had ever had, but nowhere near the worst. She tried hard, giving her all to please him.

Jennifer pumped her head, her lips sliding up and down his rigid rod. She moaned around his member, sucking him faster and faster. Too fast. Donny told her to slow down, told her she

was going to make him pop off before he got a chance to fuck her.

His words had the desired effect. She slowed her pace, polishing his knob at a sensible clip before coming up for a breather.

“Let’s see those tits,” Donny said.

Jennifer unshouldered the straps of her sundress, then removed her strapless brassiere, liberating her stellar jugs. Donny ran his hands all over them, squeezing and caressing, pinching one nipple, pulling the other.

She panted with excitement, getting hotter and wetter. Donny withdrew his hands from her tits and settled back in his set. Stroking himself slowly with one hand, he told her to ride him.

Jennifer climbed over the gearshift, lifting the hem of her dress as she did so. She sat in his lap, assuming the cowgirl position as he pushed her panties to the side and guided his cock inside her.

“Ohhhh,” Jennifer moaned and bit her lip. She had never had it like this. Seeing Donny’s big cock in the bathroom had failed to prepare her for the actual experience of having it inside her. She experienced a moment of panic in which she doubted her ability to handle his immense size.

Donny saw the concern on her face. “Relax,” he told her. “Take it nice and slow. Enjoy yourself.”

She moved tentatively at first, but it wasn’t long before she got the hang of things. Her tight teen pussy accommodated Donny’s size surprisingly well, clenching his shaft as she moved her hips.

Donny held her trim waist with both hands, marveling at the sight of Mayor Tally’s daughter, her tits warbling crazily, bouncing and grinding in his lap. Her pogoing pussy glided up and down his 9 ¾-inch dick, bringing him closer and closer . . .

Not yet, Donny thought. Then he said, “Turn around, Ms. College Bound. I want to see that ass.”

Jennifer lifted one leg, then the other. Having repositioned herself, she faced the windshield and lifted her dress once again. Peering at her cute little caboose, Donny squeezed

both cheeks before spreading them wide and dipping his tongue into her juicy cunt.

She tensed and groaned, prompting him to eat her pussy with more fervor. He lapped and licked her slit, working her into a frenzy of lust before withdrawing his mouth and telling her to drop back into the saddle.

Hands on the dashboard, Jennifer rode Donny reverse-cowgirl style. She had climaxed while he had tongued her pussy. Still, this didn’t stop her from giving it her all. She was young and relatively inexperienced, but she was not a selfish lover.

Jennifer was nothing if not determined to repay the favor, fully intent on making Donny’s dick explode like a stick of dynamite . . .

“Aaaaaarrrrrgggggghhhhh!” he cried out, his pump-enhanced prick spasming inside her.

Jennifer waited until she was sure he had finished before disentangling herself and returning to the driver’s seat. Neither of them said a word. Crickets chirruped. A hotrod revved out on the highway.

Finally, she said, “Don’t worry, Donny. I’m on the pill.”

“I’m not worried,” he told her. “Not about that, anyway.”

Jennifer looked at him and frowned. “What are you worried about?”

Donny didn’t want to bother her with his petty problems, but she kept pestering him until he told her about her father’s war on video games.

“I play at the Speedy Quik almost every day. If your dad gets his way—”

“Don’t worry about a thing. I’ll talk to him. This may come as a surprise, Donny, but the man is putty in my hands. He’d do anything for me.”

Jennifer was right. As the apple of her father’s eye, she had no problem convincing him to discontinue his misguided campaign against video games.

Ever grateful, Donny showed his thanks in the passenger seat of her car for the remainder of what turned out to be the hottest summer on record.

She moved tentatively at first, but it wasn’t long before she got the hang of things. Her tight teen pussy accommodated Donny’s size surprisingly well, clenching his shaft as she moved her hips.

PHOENIX MARIE

Tonight I could really feel our creative juices flowing. We started in the car, then the kitchen, and ended up in the bedroom. He had me pinned up against the wall; with my legs over his shoulders; and then with my ass wanting his cock, he fucked that, too. And I loved it.

TRAIL
WALK FUN

PUT ON THAT SMOKING JACKET YOU HAVE STUFFED AWAY IN THE BACK OF YOUR CLOSET. PULL OUT THAT VINTAGE SMOKING PIPE OF YOUR DAD'S AND KICK BACK IN YOUR FAVORITE RECLINER AND ENJOY A READ LIKE THE DAYS BEFORE THE INTERNET. NOTHING IS MORE EXCITING THAN TIME ALONE WITH YOUR IMAGINATION.

.....

Wanting to explore new places, I've been the one to plan the dates for my boyfriend and I. This time we went for a walk through a hiking trail next to a small park. We'd just had dinner so we were taking our time strolling through. Not in any hurry at all. There weren't many people, so when there wasn't a jogger moving past us, we were joking and teasing each other. I would playfully feel him up, and he'd whisper something dirty he wanted to do with me.

We took a break to sit on a bench, and Noah commented about how tempted he was to bend me over it. I'll admit I got flustered. I wanted to have fun with him, too, if only his roommate

wasn't around to listen in. His apartment walls were paper thin and it was too risky for us to have sex there while his roommate was present. Still, I placed my hand over his lap and asked if he would let me ride instead. Knowing neither of us was that brave, I broke the tension after a moment by standing up and insisting we keep walking. He had to readjust his pants, but followed.

Further up the path we saw a bathroom. It was a small brick building with two single stalls. I looked at Noah, and it seemed he had the same idea as me. Looking around, there was no one else on the path coming up so I grabbed his hand and led the way. It was decently maintained, not too dirty,

and at least the door locked.

Any hesitation I had faded once I got Noah's lips on mine. I pressed him against the door, tangling my fingers in his hair. Then running my hands down his body, purposely skipping over what needed to be touched the most. Noah whined, and I couldn't help but giggle. I grabbed his hips to pull him against me, and that small bit of friction seemed to give him some relief. He reached behind me to grip my ass and feel me up. Playing with the soft mounds until he couldn't resist pulling me tighter against him.

I wanted to savor the moment more, to really rile him up, but we didn't have time for that. Someone could come by any minute and knock on the door. The possibility excited me. Igniting my core with heat that made me crave Noah even more.

Noah grabbed my waist and walked me backwards towards the sink, spinning me around so that I could see my flushed face in the mirror. "Look at you," he sounded breathless. Smiling, I bent over and held on to the sink's rim, making eye contact with him through our reflection. My hips shifted side to side. Tempting him. Daring Noah.

"Look at me," I teased.

He made quick work of sliding both our pants down just enough to see his cock rub against me. My leggings clung to my thighs while my thong stayed on. Noah simply moved the small strip of fabric to the side and lined himself up with my entrance. I was already soaked thanks to his earlier teasing. My lips parted, it felt like such a relief when he slid inside. A blissful grin spread across my face. He sighed and started thrusting imme-

diately. Through the mirror I saw his intense gaze focus on my ass. Biting his lip, trying to hold his moans in.

Meanwhile, I couldn't help but let out my sounds. I liked letting him know just how good he felt. Just how much I enjoyed his cock fucking into me.

Noah must have gotten nervous once my moans grew louder, because he took one hand off my waist and used it to cover my mouth. But I wasn't deterred. If anything, it encouraged me

He buried himself deep inside me and released a deep moan. It felt so good to have his load inside me, plus it kept the mess to a minimum!

not to hold back. His palm muffled my dirty words and groans. Even he couldn't help himself apparently because between the wet slaps of our skin I heard him whisper, "fuck you feel good."

He filled me so well, and I was already so turned on. So when he stopped covering my mouth and instead touched my clit, I shuddered through my orgasm. It overwhelmed me so quickly that I had to tighten my grip on the sink to stop myself from falling over. My contractions around his cock pushed Noah over the edge. He buried himself deep inside me and released a deep moan. It felt so good to have his load inside me, plus it kept the mess to a minimum!

Once we composed ourselves, we listened for footsteps before stepping out. We were in the clear. I grinned the rest of the evening while we walked around. We continued having fun together while I kept his cum deep inside me.
